

JAKOB POSSERT-BIENZLE

Consultant, Founder, Manager

+1 (415) 529 0699 · japossert@pm.me · japossert.com · github.com/japossert · Vienna, Austria

SUMMARY

Initiator, advisor and steward across tech (CTO: architecture design & agentic engineering), finance (state financial-adviser exam), and organizational development (certified coach & facilitator; editing publications since 2018).

Delivers complex projects from first step to handover while adding management capacity without consuming it. Drawn to cohering aligned but not yet coordinated projects: Doing what is important but neglected by others.

EXPERIENCE

Consultant & CTO for hire

Wonderful Consulting: Technology & Governance Consulting

May 2020 – Present · San Francisco & Vienna, AT / Remote

- As **CTO**, led **project design & implementation** of a somatic self-therapy app from a multi-year proven modality - strategy, price engineering, and integration into existing business processes.
- **Architecture design and agentic engineering** - building and orchestrating advanced AI-agent systems.
- Governance consulting that **reduced spend by 66%**.
- Coach pioneering professionals through **career & life transitions**.

Founder of Unfold News · QuestHub · idea2.life

EvoBioSys

2019 – Present · San Francisco & Vienna, AT / Remote

- Curated a portfolio of sovereign digital & financial infrastructure projects in one architecture; incl. **Unfold News** - open-source news bias aggregator.
- Shipped **QuestHub**: Swiss-hosted platform matching people's aspirations with initiative - built to connect capital with opportunity.
- Architecture prototypes that are **local-first**, **end-to-end-encrypted**, **federated**.

Manager & Right Hand to the Founder-CEO

We-Flow

May 2020 – Apr 2022 · Amsterdam, NL / Remote

- Main collaborator of the founder-CEO; contributed to **€80,000+ in sales** for courses and consulting.
- **Managed people and a business track**: led the B2C arm; designed the marketing process; recruited & managed the marketing interns.
- Supported delivery for the **first major B2B client** as Junior Consultant

Editor - Self-Organizing & Developmental Organizations

Possert KG

Sep 2018 – Jun 2021 · Graz, AT / Remote

- Supported publishing the **SDO handbook** through editing and PR consulting.
